

The Antitrust Practice of Capital Legal Services is a team of experts with over 10 years of experience in applying the Russian antitrust law.

In the course of our activity, we combine deep knowledge of the Russian law, understanding of business mechanisms, industry specifics, experience of cooperation with state authorities and efficiency. We are always ready to propose to our clients comprehensive legal solutions for the most difficult tasks.

Our associates take an active part in lawmaking, cooperate with the Russian Federal Antitrust Service as key experts in antitrust law, and are members of the non-commercial partnerships “Competition Support” and “Competition Support in CIS Countries.”
